Vehicle Description

Up for auction is my prize possession 1984 JEEP Scrambler, this truck is all original and from California. The truck has only been in Ohio for 3 months, it has resided in the Sahara Desert all of its life. The body is beautiful and rust free as you can see from the pictures. All paint is still original with exception of right rear quarter where I found a small amount of work from an accident. I have the ORIGINAL WINDOW STICKER for this truck also. The truck has a 258 straight 6 with a t-5 5-speed. The trans and clutch have approx. 15,000 miles on them. It has a Dana 30 front with an AMC 20 rear. The brakes are all in good shape and this truck runs and drives excellent. It passed the Ohio E-check in June 05. I am the 3rd owner of this truck and I am going to miss it, it has always been the truck I have looked for to build, but a divorce causes it to go. The under carriage is as clean as the top, the discoloration you see is bare metal that is ONLY DISCOLORED. The frame is beautiful on this truck as well as the tub. The truck needs minor TLC with a few items, the seats are torn from weather, the rear zippers in the soft top don't work right, the driver door hinge is worn, and there is no radio. I have a new JEEP tailgate for it because the old one has some dents. I have a new left fender that will be on when purchased. I have a soft top, hard top, bikini top, and hard doors for it. If my reserve is met I will put new seats in the truck. Truck is sold AS-IS.
